PAINTBALL SCENARIO

I participate in the paintball game at my own risk and responsibility. I am personally responsible for the consequences of my actions. For damages of any kind caused by intent or gross negligence, the responsible party shall be liable.

I acknowledge that due to the nature of the terrain and playing field (roots, uneven ground, obstacles, slippery surfaces, etc.), serious or even fatal injuries may occur as a result of falls or similar incidents. I am aware of the potential risks involved in gameplay.

I waive, to the fullest extent permitted by law, any right to take legal action in the event of damage or injury against the organizers, lessees, field operators, and property owners where the game takes place. By signing, I acknowledge that I cannot make any claims, particularly for personal injury. Eventomori UG cannot be held legally responsible for injuries/damages except in cases of intent or gross negligence.

I have read, understood, and agree to the terms of this waiver and the general terms and conditions.
